State Workers Push Pay Raise Project

The Alabama State Employees' Association (ASEA) has announced its legislative program for 1975. According to Carlton E. Smith, Acting Executive Director of ASEA, they will be seeking the following in the May 1975 legislature: A 15% salary increase effective Oct. 1975 and a 10% raise October 1976 for all state employees.

Cost of living raises for all state employees tied to the U. S. Department of Labor Consumer Price Index which would provide that all state employees would receive a one step pay raise automatically when the Price Index rises 3% and remains at that level or higher for three consecutive months.

To provide for longevity pay for employees with over seven (7) years continuous service with the state as follows: 7-10 years of service-\$100.00 Over 10 years service-\$200.00 This would be paid annually on the first pay day in December.

Raise the retirement computation formula from its present 1.75% to 2.00%.

Provide for full retirement for those state employees with 30 years service regardless of age.

This legislative program was drafted from resolutions that passed the ASEA Convention in February 1974.

Sick Driver Wrecks Truck

An accident Tuesday morning in front of the Penions and Securities building damaged three vehicles and sent one person to the hospital with minor injuries.

Mr. Levy Tidwell was driving a pickup truck that hit the parked car of Mrs. Jo Ann Wicker and knocked it into the car of Mrs. Jane Cash. Mr. Tidwell then hit a light pole and broke it into. Tidwell was taken to the hospital by the Elba Rescue Squad.

The accident was investigated by Elba policeman Jimmy Ruff. He listed illness on the part of Mr. Tidwell as cause of the accident.

Dickinson Speaks Here

Congressman Bill Dickinson was in Elba Monday of this week. He was guest speaker at the annual "Farmer's Night" sponsored by the Elba Rotary Club.

Dickinson acknowledged the problems in Washington, and said that to get our country back on the right road, conservative spending in Washington is a must.

He also told the group "Freedom is not free - it is the most expensive commodity we have." This was said acknowledging that the day was Veterans Day, and he paid tribute to the many people who have served in the armed forces and those who lost life and limb during this service. He said, "Someone must pay a tremendous price for us to enjoy freedom."

New Brockton School Plans Carnival Tonight

There will be a Halloween Carnival at the New Brockton High School Thursday night, October 31, from 5 until 9 P. M.

The carnival is sponsored by the New Brockton PTO, and will feature activities for all age groups.

There will be admission charge.

SHORTY PRICE will go most anywhere to sell a copy of his book on Alabama Politics. Here he is shown in the press room of THE ELBA CLIPPER presenting a copy (for \$10) to the publisher Ferrin Cox.

City Council Issues Resolution To Band

The Elba City Council has passed a special resolution expressing appreciation and commendation to the Elba High School Marching Tiger Band.

The resolution came on the heels of the Band's second "All 1's" performance, the first in Gulfport several weeks ago, and the latest in a festival at Ft. Walton, Florida, just last week-end.

The resolution said in part "...the Mayor and City Council of Elba have long held a deep and abiding respect for the Marching Tigers of the Elba Band and are critically aware of the efforts of the band, and of the efforts of the many individuals and businesses in providing support to the band."

and "...recognize that through the devoted efforts of the Elba Band, its director, students, and citizens, all working individually and performing collectively, have all provided needed leadership and exercised extremely responsible achievement."

Tom Maddox and Bob Stump are band directors.

Dorsey Names Smith Director Of Personnel

Mr. George L. Collier, President of Dorsey Trainers, Inc., announced the appointment of Bob C. Smith to the position of Director of Personnel and Labor Relations effective October 28.

Mr. Smith, a native of Longview, Texas, attended Kilgore College and the University of Oklahoma. He has had eleven years experience in the field of Personnel and Industrial Relations. He comes to Elba from Knoxville, Tennessee, where he held the position of Director of Industrial Relations of Tucker Steel, a division of U. S. Industries.

He will have the responsibility for Dorsey's safety and security programs as well as its personnel and labor relations program.

Elba To Join Celebration

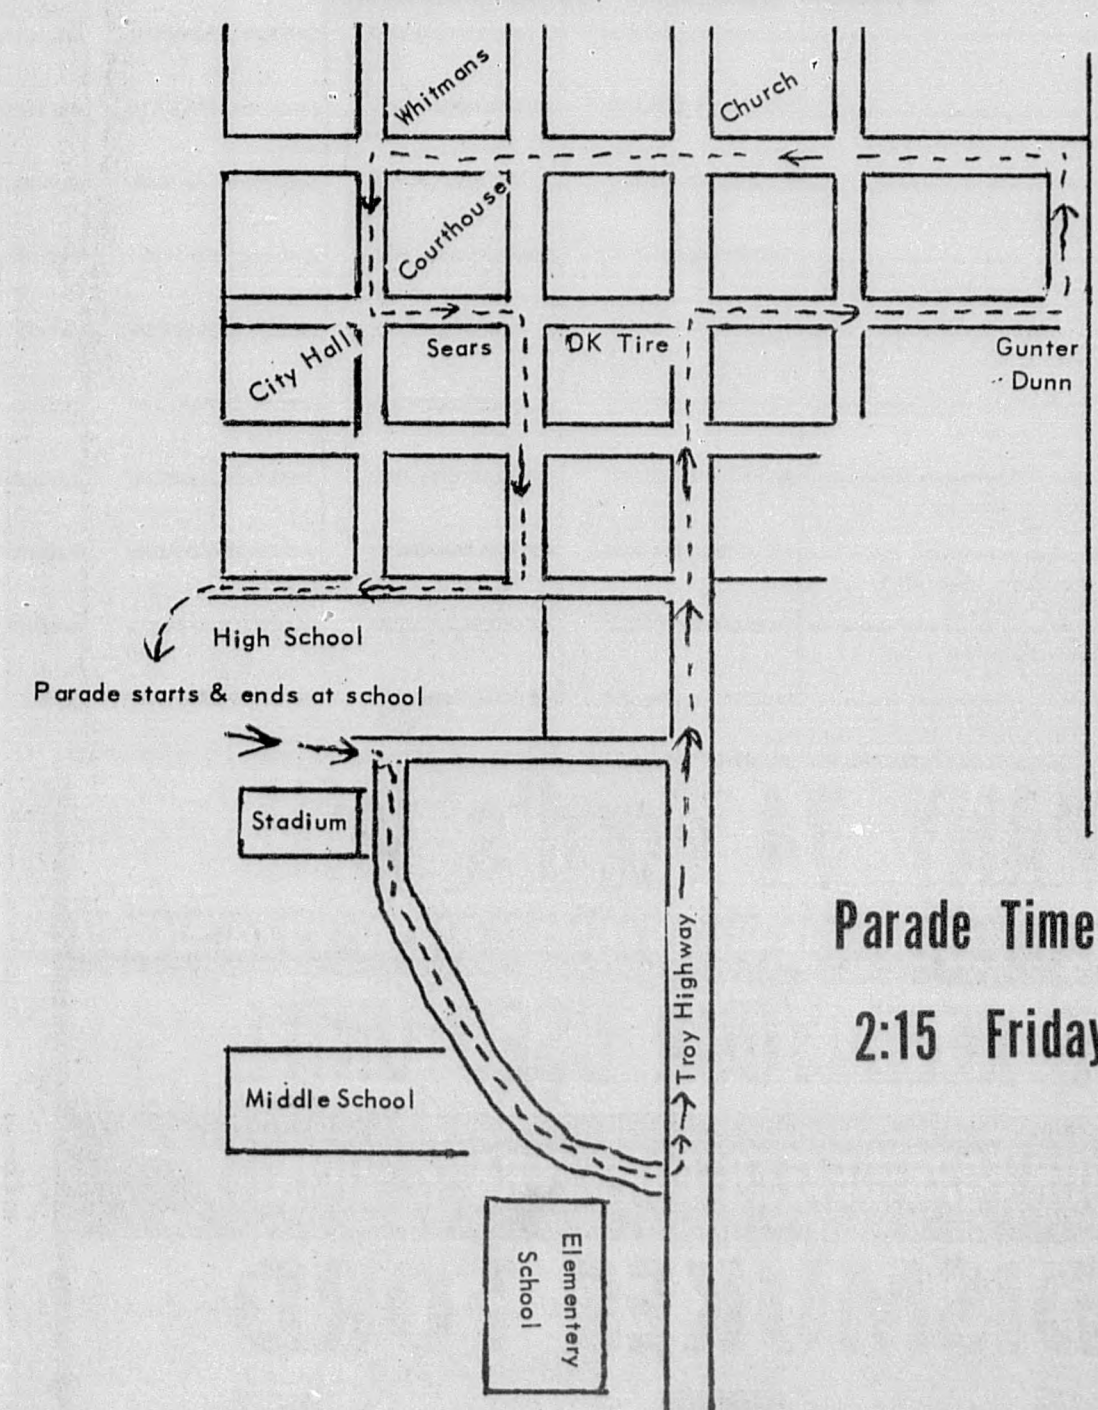

Shown above is part of the local Bicentennial Committee which met last week to map plans to celebrate America's 200th anniversary. The meeting was held at the Elba Country Club. Chairman of the committee is City Councilman Ronnie Vaughan. Speaker at the meeting was Bobby Bowick, State Director of the Alabama Bicentennial Commemorative Committee at extreme right.

Bowick told the group briefly what the State was doing towards this event and some things a local community could do. A meeting of the general public has been scheduled for Monday night at 7 p.m. The meeting will be held in the courtroom of the County Courthouse.

This meeting is to solicit ideas from the public on things the people of Elba can do to commemorate the birthday of America. Bowick said the stress was on things that would be lasting (for future generations).

Members of the committee are Lamar Rainer, Jr. and Fleetwood Carnley, co-chairmen; Ben Carpenter, Virgil Coleman, Thelma Clark, Ferrin Cox, Pete Cash, Terry Butts, Rev. Ed Sells, Oia B. Kendrick, Jerome Barley, Sam Saverio, Kenneth Hudson, Elaine Martin, Sylvia Padgett, Hoyt Rhoades, Dougie Martin, Paul Bass, Charles Ellis, Marsha Oggs and Jack Prescott.

ash fruits and vegetables come to dominate the food scene during September. However, unstable weather conditions have had an adverse effect on the overall supply of produce. Prices remain higher on some items that have been expected to be a little less expensive for this reason.

Vegetables in good supply this week include green cabbage, green peppers, eggplant, potatoes, vine-ripened tomatoes and sweet corn. Supplies of apples are adequate. Broiler-fryer prices are up from a few weeks ago but the quality of the birds on the market is excellent. Now is a good time to buy your holiday turkey as supplies are adequate due to record high levels of cold storage holdings.

On the meat market, beef to predict due to uncertainties about feed prices and weather conditions. Store specials are scattered. Check your newspaper ads for features this week.

CARE OF WOODEN UTENSILS

A little care can mean longer life and beauty for your wooden utensils and serving pieces. Clean your wooden ware thoroughly and let it dry completely. Then rub several coats of vegetable oil into the finish and let the oil dry. Repeat this oil treatment every six months.

After using any wooden utensil wash it quickly in soap water. If wooden salad bowls or rolling pins are soaked too long, they can crack, swell or warp. So, rinse and wipe them

immediately. Then let them air dry completely before storing them.

To avoid scratching or marring the finish, don't let food dry on any wooden article. Clean your woodware immediately after use. And for a smooth, clean cutting board, rub the surface with fine sandpaper occasionally to remove knife-mark ridges where bacteria could grow.

Nobody get polio anymore, do they? Children do still get polio although the number of cases reported each year is small. Outbreaks of measles and German measles still occur, often spreading quickly through small geographical areas.

These and other contagious childhood diseases have things in common. First, they can kill or cripple young children. Second, there is no vaccine to prevent the disease. The simple solution is immunization.

Parents should check their records and make sure that their children have been immunized against polio, measles, mumps, German measles, diphtheria, tetanus and whooping cough.

CRAB APPLES

Do you have some crab apples on your tree? Have you figured out what to do with them? Crab apples make delicious tart jelly, crab apple butter or spiced apples. Use the juice of the fruit to make jelly and the pulp to make crab apple butter. Whole spiced apples make an attractive garnish and add zip to meat.

Soil surveys help homeowners place much planning in a new home. Some builders and buyers plan only from the ground up, forgetting that unsuspecting soil hazards can cause serious damage and lead to a major expense.

Soils in Coffee County vary widely in their suitability for building purposes. Some of the soils in the county are highly erodible and will wash away during the winter and early spring, then drop to several feet below the surface during summer and fall.

Unfortunately, you can't tell about the water-table just by walking over the site. Soil surveys indicate whether soils have a seasonally high water-table and give the depth of the water-table.

Homebuyers lose thousands of dollars per year from property damage caused by flooding and wet soils. The Soil Conservation Service, which operates through the

Coffee County Soil & Water Conservation District, has the responsibility for making a soil survey of the county. These soil surveys are good indicators, but there is no substitute for on-site investigations.

The Coffee County Soil Conservation Service, located in New Boston, has recently received a publication entitled, "Homebuyers - Soil Surveys can Help You." This publication can be obtained at this office. All you have to do is come in and pick up one or contact this office by writing P.O. Box 388 New Boston, Ala. 35951.

Loan Interest

Rates Increased

The U. S. Department of Agriculture (USDA) announced an increase in the interest rate on price-support commodity loans and on storage facility and drying equipment loans made by Commodity Credit Corporation (CCC). The increases, from 7.25 to 7.375 percent per annum on commodity loans and from 8.75 to 8.875 percent per annum on storage facility and drying equipment loans will more nearly reflect the cost of borrowing money to CCC.

In making the announcement the department said that the new interest rates will be applicable to all such loans for which applications are received by CCC on or after October 1, 1974.

Also announced recently is a change in the policy regarding interest on price-support commodity loans and on storage facility and drying equipment loans made by CCC. The interest rate on loans for which applications are received after Oct. 1 will continue to bear interest at the rate stated in this loan agreement until maturity. In addition, loans on storage facility and drying equipment, for which applications are received after Oct. 1 will continue to bear interest at the rate in effect on the date the loan is disbursed instead of the rate in effect at the time of application.

Training School

Orell Matthews employee of the Elba Policeholder's Service Office, Mutual Savings Life Insurance Company has just completed an intensive four-day training school at the Company's Decatur, Alabama, Home Office.

Twenty-four students from 22 cities and towns of a four state area were in attendance at the school. Special study courses and work shop sessions completed by the students were designed to teach the efficient use of life insurance as a valuable piece of property. It will enable the Company, through these graduates, to offer a more efficient service to the Company's policyholders.

Accreditation Diplomas will be given upon satisfactory completion of a continuing education program extending over several weeks within his/her community.

Tom Casaday, County Extension Chairman

In recent years, pasture has been of little importance as a source of nutrients for swine production, says Tom Casaday, Coffee County Extension Chairman. However, with this year's inflated feed prices, pasture should be considered by producers who have adequate land and equipment for producing pasture.

Year-round pasture programs can help you reduce your feed costs.

So, here are some things, Casaday says to keep in mind about using a pasture program for swine during gestation.

Use only high quality forage. A mixture of rye, ryegrass and arrowweed clover seeded on prepared land in September or October will provide excellent grazing during the winter and spring. A suitable mixture would be 60-70 pounds of rye, 15 pounds of ryegrass, and 8 pounds of arrowweed clover seed per acre. Other crops that can be substituted for these include wheat or oats for rye and crimson clover, reed-canary clover or vetch for the arrowweed clover. Seeding rates will differ for the different crops. Check the County Extension Office for seeding rates.

Soil test now and apply lime and fertilizer where needed before planting.

Stock at the rate of six to ten sows per acre. Pastures should be grazed closely or clipped often to prevent the forage from turning.

Feed balanced rations tailored to the production stage of the different classes of sows. Sows should receive

1 1/2 to two pounds of corn and one-half pound of supplement. Feed sows two to 2 1/2 pounds of corn and three-fourth pounds of supplement. Increase feed by 50 percent the last quarter of gestation.

Plan now for summer pastures for sows. Casaday says sows can also be used successfully in a sow feeding program. If a producer is now using silage in a cattle operation, silage can help lower sow feed-

ing costs. Sows should be fed as much silage as they will eat—usually in the range of 10 to 12 pounds daily. And when corn or milo silage with high grain content is used the

sows will require only one pound of sow supplement daily. But if the grain content of the silage is low sows will need an additional one to two pounds of grain.

Mr. W. C. Godwin, Elba, Ala., was commissioned a second lieutenant in the U. S. Army upon successful completion of the Officer Candidate Course at The Infantry School at Ft. Benning, La. He is a son of Mr. and Mrs. Wesley Ham of Elba.

Mr. W. C. Godwin, Elba, Ala., received a letter a few days ago stating that his son, Wallace Godwin, was being held prisoner in a German camp. Previously he had been notified that his son was reported missing in action. The latest war department communication is welcome news to the young man's family and friends.

Mr. J. D. Adkins reports that while helping Mr. Fordish dig peanuts in his field near Victoria, he dug up a vine that had the unusual number of 460 mature runner plants. When it is considered that a peanut vine seldom has more than 100 runners, 460 is really remarkable. He said, however, that the peanuts on this vine were only about 2 1/2 the normal size, but were fully mature.

Mr. and Mrs. Oscar E. Cooper of Mobile, Ala., formerly of Elba, announce the marriage of their daughter, Martha Sue Cooper, to John R. Simmons, son of Mr. and Mrs. Simmons, of Elba. The ceremony was held at the home of Mr. and Mrs. Cooper, 20, at 2:00 p.m., in the presence of a few close relatives and friends, with Rev. J. D. Smith, pastor of the church, officiating.

Mr. A. J. Hyatt celebrated his 50th birthday Sunday, Oct. 27, by giving a barbecue for his friends and relatives.

Mrs. Thomas E. Farmer spent last week in New Orleans, La., with her husband who was awaiting shipping orders.

Mr. and Mrs. W. E. Crosby and baby, of Fort Myers, Fla., have been spending a few days with relatives near Elba. Although a native of Coffee, Mr. Crosby has been in Florida for about five years.

Messrs. Price Ringo and Rudolph Herring and Miss Helen Snow were visitors to Elba, Ala., during the weekend. Messrs. Ringo and Herring attended the Georgia Tech football game which was won by Tech by a score of 27-0. Auburn's experience outplayed the Tech veterans on the ground and even in the air, but the older warriors took advantage of breaks and monopolized the scoring.

EDITORIAL Dishonesty Does Not Pay

Why must everything be locked and watched? Isn't it because one of the worst things that anyone can do is being dishonest? Stealing. This is the most terrible form of dishonesty and it really creates a heavy atmosphere of distrust when there is even one around a school who does it. It causes situations to be tighter and more restrictive with everybody having to suffer because of one or two. Taking something that does not belong to you doesn't help you. It's bad to be "ripped-off" but it's the "riper" who suffers more than the "ripped-off" because it is soon learned who is honest and who is not and the one who is not is always suspected, distrusted, and looked upon as an outsider by all who are honest, which is the majority. Once dishonest, does not mean always dishonest and what a shame not to change before it's too late and your stealing grows into a theft that leads to a jail sentence.

SENIOR OF THE WEEK

Senior Rex Marler, son of Mr. and Mrs. Rex Marler, of Rt. 1, Glenwood, is recognized this week.

Rex is a member of the Z Club, and has played football and basketball for four years. In football he has been utility man, playing all positions.

What Rex likes about Z.C. is the togetherness on the football field. To improve Z.C. he thinks we should have more rooms.

Rex's hobbies are hunting, fishing, cars, and Donna.

At the present time Rex has no future plans.

There was a tear in his eye, "I lost no time in praying, 'Lord, forgive me please!'"

And as I went, I bowed slowly at His Holy feet.

"Jesus, Oh Jesus, make me one of These!"

And that's when He gave me this brand new life of mine.

Cindy Alcorn, 10th Grade.

Yes, if you will come it will be forever.

I looked a minute at my life of sorrow, with pain and misfortune.

I then looked at Hell - was this to be my future?

Knowing my thoughts, He said to me.

Yes, if you will come it will be forever.

I looked a minute at my life of sorrow, with pain and misfortune.

PRESSBOX

BY RICKY MULARZ, SPORTS EDITOR

Two of Coffee County's schools took giant steps toward the State play-offs, while the other two stumbled and lost.

COUNTY ROUND-UP
The Enterprise Wildcats surprised previously unbeaten Carver of Montgomery by dumping the Wolverines 34-6. The Wildcats completely dominated the visitors, and now sit atop the Region 3 standings.

Zion Chapel clinched a play-off berth by routing a strong Coffee Springs outfit 41-0. The Rebels' "let" Mouttry ran for 177 yards to lead the offense. The win gives Zion Chapel a 4-0 area record, and a spot in the playoffs for the second time in the school's history.

New Brocton continued to struggle through their initial season, dropping a 20-8 decision to Straughan. The Gamecocks won their first game two weeks ago against Houston Academy's "B" team, and are not a bad first year team!

PREP ROUND-UP
Several schools have already warmed up playoff berths. They are: CLASS 4A: Fairhope, Alex City, West End, Hueytown; CLASS 3A: Atmore, Fairfield, Hewitt-Trussville, and Shades Valley; CLASS 2A: Washington County, Locust Fork, Goodhope; CLASS A: Brantley, Zion Chapel, Catholic of Montgomery, Rainbow and Redwood.

Geneva continued to tune up for their meeting with Andalusia by shelling O'P, 23-0. The Panther defense held O'P to a mere 42 yards in total offense. Geneva is now 6-1, while O'P's record dropped to 4-4 as the Bobcats dropped their fourth straight game.

Brantley won the right to oppose Zion Chapel in the playoffs by disposing of Highland Home 14-0. The Bulldogs are 7-1, and are headed for their first playoff. The win gave Andalusia a big homecoming win. The Bulldogs will come in to take the game on Friday night and will try to put a damper on Elba's homecoming festivities.

Luverne's Crenshaw Christian Academy rolled to their ninth win by blitzing previously unbeaten and unscathed Ashford Academy 25-7. The Cougars' win assured them of a private school playoff berth.

TIGERS FALL TO 3-5
The Elba Tigers ran Elba off the field Friday night in their big 40-6 win. Ex-Elba coach Ed Comerford Elba enjoyed his visit back to the Pen, and did his best to run up a big score. Comer left in his starters throughout the game, and there was no doubt he was trying to "run up" the score. Well, next year we'll go up to Elba, and I'm sure Elba's young players won't forget the lopsided loss.

Elba was just too much for Elba to handle, as two Elba backs rushed for over 100 yards.

The Elba offense, lethal last week against Greenville, spluttered throughout the game, and never quite got on track. The Elba quarterbacks put the ball in the air 27 times, completing only 8, while having 5 picked off. Although the completion percentage indicates the off night, the passers had, the Tiger receivers again dropped several catchable passes.

The Elba defense used a 4-4, and 5-2 defensive set, but both failed to stop the Elba rushers. The Tigers just couldn't tackle the speedy backs.

This week Elba is celebrating homecoming at the undefeated Andalusia Bulldogs. The Bulldogs handed Elba a humiliating 61-0 defeat last season, and if Elba's players don't get ready to play tomorrow night, the score might be even worse!

ARKANSAS BACK RUNS WILD IN PREP CONTEST
Running back John Bunch of Elkins High School in Elkins, Arkansas, had the kind of game runners don't even dream of. The 5'10" back carried the ball 38 times and rushed for 608 yards as his team trounced Winston High 74-0.

Dr. Barry Brown, a professor at the University of Arkansas and the referee in the game, verified the statistics. "There is no question, at all," said Brown, "the kid could have scored on every play!"

In his eight games this season, Bunch has rushed for 1,873 yards.

FEARLESS FORECASTS
The crystal ball came through on 10 of 25 picks last week for a solid 70%. There are some close games again this week, but the ball's reception is crystal clear.

ELBA-ANDALUSIA - The Tigers are still smarting from last year's 61-0 loss, but this is not the year for Elba to get revenge. **ANDALUSIA 38 ELBA 6**

ENTERPRISE - LEE - The Generals are no pushover, and if Enterprise is still reading last week's headlines, an upset could happen. **ENTERPRISE 15 LEE 10**

OPP - DE FUNIAK SPRINGS - If the Bobcats are to claim a winning season, they must win their two remaining games. They should be ready. **OPP 26 DE FUNIAK SPRINGS 18**

FLORALA - LUVERNE - This is a big game for both teams who are fighting for playoff berths. **FLORALA 26 LUVERNE 7**

GENEVA-SLOCOMB - The Panthers might be caught looking about to next week's game with Andalusia, but don't bet on it. **GENEVA 21 SLOCOMB 8**

Elba Jr. Team Edges Luverne 20-14

The undefeated Elba Junior High Tigers ran into a tough Luverne team Thursday night, and proved their strength by pulling off a 20-14 come-from-behind victory. The Tigers record is now 5-0-1, with one game remaining.

The Tigers jumped in front 6-0 in the first period, when Elba quarterback Ken Martin, raced 15 yards for the game's initial score. The two-point conversion failed, but at the end of the first quarter Elba managed a 6-0 lead.

Luverne came back to take the lead in the second period, but Elba's defense held them to a mere 14 yards in the first half. The two-point conversion was successful, and the half ended moments later with the score Luverne 8, Elba 6.

Elba refused to quit, and in the third quarter battled back to take the lead. Johnny Dyess picked off an errant Luverne pass, to give Elba the ball on the Luverne 35 yardline. Two plays later, Dyess swept around left end for 25 yards and the touchdown. The try for two again failed, and when third quarter ended, Elba held a 12-8 lead.

ELBA REPORT

Library Council Meets

A meeting of the Library Council of E.H.S. was held on October 23, 1974. The main purpose for the meeting was to discuss the club's responsibilities pertaining to the Homecoming. The Library Council and the Band Council are responsible for boosting school spirit through a homecoming celebration and additional publicity on campus.

In the absence of the President, the Vice-President, Sue Donaldson, presided. After the business session was concluded, the program portion of the meeting consisted of making plans for a Library Council entry in the Homecoming Parade.

A committee was appointed to make plans for a Library Council entry in the Homecoming Parade.

History Students Visit Museum

The ninth grade Alabama History Classes visited the P.K. Pioneer Museum in Troy, Alabama, Tuesday, October 22. The students were exposed to Alabama artifacts and relics representing a period of time from the middle 1800's until the early 1900's. Everyone seemed to enjoy the trip and agreed that it was an educational experience.

Couch Beninger, Mrs. Jean Hudson, and Mr. Stan Pritchett chaperoned the 101 students making the trip.

That Very Special One

Just one special person is our "special person" this week. She is the daughter of Mr. and Mrs. J. Doug Kendrick. She is a member of the First Baptist Church, where she participates in church and Sunday school activities.

Jo Ruth is a member of the Beta Club, Science Club, and Junior Music Club. She is also Co-captain of the varsity cheerleaders.

CONGRATULATIONS. "Ruthie!"

What It's...

Susan is a fortune teller. Somebody knew what "Boom-Boom" means. Hilda never had a case of the cramps in his fingers.

D. S. would decide who he likes. Alabama beats Auburn 17-16. E.H.S. had more spirit!

Tammy Waller were going to school in Elba. Nobody parked in Susan's parking lot.

Cutest Couple: JoAnn Bailey Greg Trammell

This year Jo Ruth is taking American Literature, Modern Drama, Home Ec. III, Chemistry, Sociology, and P.E.

Jo Ruth's pet peeve is people who don't yell at pep rallies. Jo Ruth thinks E.H.S. is the best school around. Her main interests are Bruce Donaldson and cheerleading.

CONGRATULATIONS. "Ruthie!"

A Day At EHS

Here it is, another routine day at Elba High School, and the noon-day train from Giff City, "wherever that maybe," has just come together in the Elba depot.

Everybody is racing to meet it to see what cool celebrities get off of it in the big Metro-polis of Elba this week.

Well, to start it all off, just passed Johnny Davis, who was running to meet Lyndard Stearnard. I overheard Lyndard explaining to Johnny that he followed Neil Diamond to Elba to tell him that he didn't appreciate Neil's remarks that he had made about his "Sweet Home Alabama." Then Johnny replied, "I am with you all the way, Lynn ole pal, and they walked off into the sunset singing what else but "Sweet Home Alabama."

Well, while I was so rapped on in Johnny and Lyndard's conversation, a small crowd had been gathering at the train to see the stars. Then, as I climbed on top of a building to get a better look over all the heads, I recognized Lisa Sharpless, at the head of the crowd, who mistakably thought she'd heard someone remark that Max Davis was getting off of the train. But, she soon found out that they had said Max Davis. So, a rather disappointed Lisa told Mac, "I believe in music," but you're not who I was looking for, (too bad Lisa), and off she went to her next class.

Next on the agenda, came Gladys Knight and the Pips, who had boarded the wrong train and now they have to wait to catch the "Midnight Train to Georgia." Tough luck to the Pips! Better luck to you next time.

Then, as I looked up, I almost had a stroke because I see that Donny Osmond just stepped off the train. Well, "I Can See Clearly Now," since most of the girls have fainted. With the help of my binoculars I can read his lips and right now he is telling Donna Morrow, "I'm leaving it all up to you," to find my "Puppy Love" that I lost, because he ate "One Bad Apple" and I am afraid he might get sick. So, off went Donna looking for Donny's puppy that he loves so much. We probably won't see her for a while. Oh well, I hope that she finds what she's looking for.

Just now as I glanced to the front of the train, I heard Elton John telling the conductor, "To Get The Train To Levee" to find the "Yellow Brick Road" that leads to "Stark City" so that I can find out if "I've Got A Name."

I guess it is about time to go anyway, because I just told everybody to "Clap For The Wolfman." So, Mr. Foley must be coming. He is probably making sure that everybody gets to their next class on time. That is very considerate of him. THE END

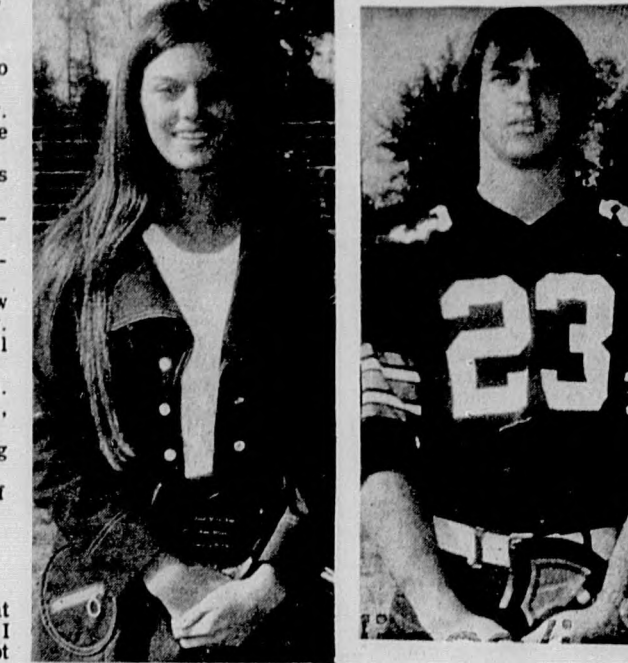

1974 HOMECOMING COURT

MISS LINDA COON was selected by her fellow students to reign as Queen over Homecoming activities. The members of her court are from left to right: DEBRA HAMMONDS, the QUEEN, JO RUTH KENDRICK, and JANA BROWN

Did You Know

The Duttons are moving to Andalusia. M. B. is the school playboy. Tadpole likes to ride in the floorboard. Homecoming is only a few days away. Greg P. wants to be a cheerleader. We had a Pep Rally, one Friday, that lasted all day. Max can make the best slow dogs this side of Coffee County. Debbie S. owns a Sweet Roll factory.

David Smith has a frog farm. Freddie Sanchez is on T.V. sometimes on Sunday night. Max F. has his own slow dog stand. We have the Best band out of 53 bands from 5 states.

Player & Bandsman of the Week

Selected as PLAYER OF THE WEEK for his spectacular play during the ELBA-GREENVILLE game was RONNIE CULVER. The Senior fullback gained 90 yards in 20 carries during the Elba win. THE BANDSMAN OF THE WEEK award went to PAM GALLAGHER.

ELECT JERE BEASLEY

Jere Beasley is grateful to you for selecting him as the Democratic Nominee for Lieutenant Governor last spring. Now Jere, along with Governor Wallace, Senator Jim Allen and other Democratic Nominees, asks for your support in the General Election because of the opposition of hand-picked candidates from several other parties. Please go to the polls on November 5 and vote for Jere Beasley for Lieutenant Governor.

Azalea Garden Club To Hold Another Rummage Sale

The Azalea Garden Club will hold another rummage sale and flea market Friday afternoon and Saturday morning until 12 o'clock. They will be in the same building they occupied last Saturday, between W.S. Store for Men and Charles Cox's Service Station.

So, all the latecomers who can't make Saturday and couldn't find your sizes or for all the Jacobs after which Mary Roberts led the group in the picnic to the flag. Guests Neil Kendrick, Elizabeth Hornsby, and one new member, Aileen Ziegler, were introduced. Lorene Bryan presented the devotional. The Founders Day program was conducted by Miriam Bowers, Plant Information Area Leader. "Jackpot" was the title of the program at which all members participated in playing this Share Pilot game. Marie Asher was the grand winner and received the "Jackpot" prize. The Code of Ethics was read by Addie Lou Taylor.

During the business session, it was decided that the Pilots would have an entry in the Homecoming Parade. Mary Roberts will host the November Executive Board Meeting on November 5, at 7:00. At the next regular meeting on November 14, a "Hunger Banquet" will be held in order to donate a meal from each member to "Meals for Millions."

Others attending were Carol Fetter, Jean Kennel, Ann Beck, Sue Griffin, Nina Smart, Janis McDowell, Jean Moore, Nancy Crowe, Betty Lewis, Agnes Wilson and Judy Follis.

Pilots Celebrate Founders Day

Founders Day of Pilot International was celebrated on October 25, 1974, when the Pilot Club of Elba met at the Elba Country Club. President Sybil Shivers presided at the dinner meeting. The Pilot Club was organized by Carrie Jacobs after which Mary Roberts led the group in the picnic to the flag. Guests Neil Kendrick, Elizabeth Hornsby, and one new member, Aileen Ziegler, were introduced. Lorene Bryan presented the devotional. The Founders Day program was conducted by Miriam Bowers, Plant Information Area Leader. "Jackpot" was the title of the program at which all members participated in playing this Share Pilot game.
